**Proceeding further with the European patent application pursuant to Article 96(1) and Rule 51(1) EPC**

A supplementary European search report has been drawn up concerning the above European patent application (publication number 1499343).

Since you have filed a request for examination prior to the transmission of the supplementary European search report, you are hereby invited to indicate within

**two months**

of notification of this invitation whether you desire to proceed further with the European patent application.

If you do not indicate in due time that you desire to proceed further with the European patent application, it will be deemed to be withdrawn (Art. 96(3) EPC).

If you wish you may comment on the supplementary European search report and amend, where appropriate, the description, claims and drawings (R. 51(1) EPC).
